

Farah Ahmad

Work Address: York University, 4700 Keele St
Faculty of Health, HNES: Rm 414
M3J 1P3, ON Canada

Phone: 416-736-2100 x33898
Fax: 416-736-5227
E-mail: farahmad@yorku.ca

A. PERSONAL

1. DEGREES

DESIGNATION	INSTITUTION	DEPARTMENT	YEAR
PhD	UNIVERSITY OF TORONTO	Institute of Medical Sciences/ Health, Care, Technology & Place	2002-2007
MPH	HARVARD UNIVERSITY	Harvard School of Public Health	1994-1995
MBBS or MD	UNIVERSITY OF PUNJAB	Fatima Jinnah Medical College	1982-1988

2. RESEARCH & TEACHING

Content Areas: Access to health services; eHealth; primary care; health promotion, ethnic and immigrant health; women's health; physician-patient communication; partner violence; mental health; cancer screening; social determinants of health; behavior theories

Mix Methods: Randomized trial; survey; pre-post; focus group; in-depth interview; concept mapping; systematic review; psychometric; regression analyses

Other: Languages: English, Urdu and Hindi

3. EMPLOYMENT HISTORY

DATE	RANK/POSITION	INSTITUTION	SCHOOL/DEPARTMENT/DIVISION
2013-	Associate Professor (tenured)	York University	School of Health Policy & Management (SHPM), Faculty of Health
2011-13	Assistant Professor	York University	SHPM, Faculty of Health
2011-	Full Member	York University	Faculty of Graduate Studies
2008-11	Assistant Professor	University of Toronto	Dalla Lana School of Public Health (DLSPH): Social & Behavioral Health Sciences (primary); Epidemiology
2004-08	Senior Research Associate (PT)	St. Michael's Hospital	Centre for Research on Inner City Health
1999-04	Research Associate (FT/PT)	University Health Network	Women's Health Program

1998	Research Analyst	University of Vienna	Institute of Tumor Biology and Cancer Research
1996	Research Officer	Population Council	Islamabad Branch, Pakistan
1995-96	Public Health Consultant	- Center for Applied Epi & Policy Research - Vienna Health Planning Dept.	Private, Vienna, Austria Government of Austria
1989-91	General Practitioner	Medical Center	Private, Islamabad, Pakistan
1988-89	Medical Intern	OB/GYN, Pediatrics	Federal Hospital, Islamabad, Pakistan

4. HONOURS AND AWARDS

STATUS APPOINTMENTS

DATE	RANK/POSITION	INSTITUTION	SCHOOL/DEPARTMENT/DIVISION
2013-	Research Scientist	North York General Hospital	Primary Care / Mental Health
2011-	Assistant Professor	University of Toronto	Dalla Lana School of Public Health: Social & Behavioral Health Sciences
2008-	Associate Member	University of Toronto	School of Graduate Studies
2009-	Mentor	University of Toronto	CIHR Strategic Training Initiative in Health Research (STIHR): Health, Care, Technology & Place
2007-	Associate Scientist	St. Michael's Hospital	Centre for Research on Inner City Health

PERSONAL AWARDS

2013 Mar	Kiran van Rijn Award for mentorship, CIHR Strategic Training Initiative in Health Research (STIHR) in Health Care, Technology and Place (HCTP)
2012-13	Dean's Health Research Catalyst Award, Faculty of Health, York University
2010	Faculty Award, Centre for Urban Health Initiatives
2007-09	Post-doctoral Fellowship Award, Open Competition (2 Yr – used 8 months) CIHR: Inst. of Health Services & Policy Research; Inst. of Gender & Health

- 2005-08 Post-doctoral/ Doctoral Fellowship (top-up) Award (2 Yr)
CIHR: Strategic Training Initiative in Health Research (STIHR) in Health Care, Technology and Place (HCTP)
- 2006 Doctoral Thesis Completion Grant
School of Graduate Studies, University of Toronto
- 2004-07 Health Research Fellowship Award, Open Competition (3 Yr)
CIHR: Institute of Gender & Health; and Ontario Women's Health Council
- 2003-04 Health Research Fellowship Award, Priority Competition (1 Yr)
CIHR: Institute of Gender & Health
- 2002 Continuing Education Award: University of Toronto Open Fellowship
- 2002 Entrance Award: University of Toronto Open Fellowship
- 2000 Manuscript Award (co-author) "2000 Leadership Award Manuscript"
Women's Health Issues – Jacobs Institute of Women's Health
- 1982-88 Merit/President's Talent Scholarship: Federal Board of Edu, Pakistan (5 Yr)

B. SCHOLARLY CONTRIBUTIONS

1. ARTICLES IN REFEREED JOURNALS

1. Pajak C, Ahmad F (senior author), Jenney A, Fisher P & Chan L. Survivor's costs of saying "no" to woman abuse. *Journal of Interpersonal Violence* (In press).
2. Rachlis BS (doctoral student), Ahmad F (senior author), Muula A, Semba M, Van Lettow M & Cole D. Using concept mapping to explore why patients on antiretroviral therapy (ART) default and get lost to follow-up in Zomba district, Malawi. *BMC Health Services Research* 2013 June; 13(210):e11. Doi: 10.1186/1472-6963-13-210
3. Ahmad F, Rai N, Petrovic B, Erickson P & Stewart DE. Resilience and resources among South Asian immigrant women as survivors of partner violence. *Journal of Immigrant and Minority Health* 2013 November; 15(6):1057-1064 (DOI: 10.1007/s10903-013-9836-2)
4. Ahmad F, Norman C & O'Campo P. What is needed to implement a computer-assisted psychosocial risk assessment tool? An exploratory concept mapping study. *BMC Medical Informatics and Decision Making* 2013 February; 12(149); e11 (DOI: 10.1186/1472-6947-12-149).
5. Ahmad F, Jandu B, Albagli A, Angus JE & Ginsburg O. Exploring ways to overcome barriers to mammography uptake and retention among South Asian immigrant women. *Health & Social Care in Community* 2013 January; 21(1); 88–97 (DOI: 10.1111/j.1365-2524.2012.01090.x).

6. PRESENTATIONS ON INVITATIONS

*national/international level

1. *Ahmad F (panelist). *Mental Health*. CASSA (Council of Agencies Serving South Asians) 3rd Annual Equity Conference, Toronto, November 5, 2013.

2. Ahmad F. An example of mixed method research. *Public Health Seminar Series, Graduate Research Association of Students in Public Health (GRASP), York University, Toronto. Nov 12, 2012*
3. *Ahmad F & Ginsburg O. Engaging immigrant populations in breast cancer screening. *Ontario Public Health Association Webinar, Toronto, July 16, 2012.*
4. Ahmad F. eHealth innovations to address health inequities: a case of computer-assisted health assessments in primary care. *York eHealth Alliance (YEHA) Seminar Series. Faculty of Health, York University, Toronto, February 19, 2012.*
5. Ahmad F. Family violence and healthy relationships. *Conference by CASSA (Council of Agencies Serving South Asians): Diagnosis for Equity: Dialogue on Mental Health, Addictions, Chronic Diseases, and Sexual Health in South Asian Communities, Toronto, October 21, 2011.*
6. Ahmad F. An innovative eHealth tool for refugee care. *Greater Toronto Area Community Health Centers Meeting, Centre Francophone De Toronto, Toronto, June 16th, 2011.*
7. Ahmad F. Impact of family violence. *Conference on South Asian Perspective, Social Services Network and Partnership Organizations, Toronto, Queen's Park, May 5th, 2011.*
8. *Ahmad F. Resilience among South Asian immigrant women: a study with survivors of domestic violence. *Webinar by the CIHR STIHR on Social Aetiology of Mental Illness (SAMI) May 3rd 2011.*
9. Ahmad F. eHealth innovations to address health inequities: a case of computer-assisted health assessments in primary care. *School of Health Policy and Management, Faculty of Health, York University, Toronto, February 09, 2011.*
10. Ahmad F. Health Promotion - an overview. *Community Medicine Summer Rounds, University of Toronto, June 25, 2010.*
11. Ahmad F. Defining research career paths. *Women's College Research Institute. (WCRI) Trainee Breakfast. Toronto, May 12, 2010.*
12. *Ahmad F. eHealth for patient-centered care in family medicine. *Department of Family Medicine, University of Calgary, Calgary, April 23rd, 2010.*
13. Ahmad F. Potential of interactive computer-assisted screening for identification and management of compromised mental health among women visiting family practice. *Women's Mental Health and Well-being Speakers Series, York University, Toronto. January 27, 2010*
14. Ahmad F. Computer-assisted screening for intimate partner violence and control: A randomized trial. *Women's Mental Health Grand Rounds. Department of Psychiatry. Women's College Hospital, Toronto. January 22, 2010.*

15. *Ahmad F. Health promotion via eHealth. *Global Centre for eHealth Innovation, University Health Network. Toronto, July 14, 2009.*
16. Ahmad F. Addressing family violence in healthcare settings. *Social Work Rounds, Hospital for Sick Children, Toronto, November 26, 2009.*
17. Ahmad F. Addressing intimate partner violence in health promoting settings: A case of computer-assisted screening in family practice. *Research Seminar Series, Dalla Lana School of Public Health, University of Toronto, October 29, 2009.*
18. O'Campo P, Ahmad F & Shakir U (panel). Language of violence: How we talk about violence in different cultures (presentation). *Cafe Scientific, Women's Health in Women's Hands, Toronto, March 11, 2009.*
19. Ahmad F. Qualitative research and analysis – workshop lead. *Access Alliance for Multicultural Health and Service, Toronto, February 10, 2009.*
20. Ahmad F. Systematic reviews: when and how? Summer Student Rounds, *Centre for Research on Inner City Health, St. Michael's Hospital, Toronto, June 11, 2008.*
21. Ahmad F. Computer-assisted screening for domestic violence in healthcare settings: why & how? *Family & Mental Health Services: Brown Bag, COSTI Immigrant Services, Toronto, March 26, 2008.*
22. Ahmad F. Immigration and mental health. *Neuropsychiatry Rounds, Toronto Western Hospital, Toronto, May 8th, 2008.*
23. Ahmad F, Hogg-Johnson S, Stewart DE, Skinner HA, Glazier RH & Levinson W. Computer-assisted screening for intimate partner violence in family practice: RCT. *Clinical & Population Research Rounds, St. Michael's Hospital, Toronto, May 24, 2007.*
24. *Ahmad F (panelist). Immigrant health. In: *From Research to Change- A Multi-sector Dialogue on Knowledge Transfer, Health Policy Forum. St. Michael's Hospital, Toronto, June 18, 2004.*
25. * Ahmad F. A tailored intervention to promote breast cancer screening among South Asian immigrant women. *Women's Health Scholar Core Day, Sunnybrook and Women's College Health Sciences Centre, Toronto, October 24, 2004.*
26. Ahmad F (panelist). Violence against women: a global perspective. *Toronto Western Hospital, Toronto, December 4, 2002.*
27. Ahmad F. Health promotion strategies: Theory and practice. *Public Health Nurses Cancer Workgroup, Toronto Public Health, Toronto, September 24, 2002.*
28. Ahmad F, Ali M & Stewart DE. A study of spousal abuse among Canadian-born and immigrant women. *Behavioral Sciences & Health Research Seminars, University*

Health Network, Toronto, November. 26, 2001.

29. *Ahmad F. Breast cancer awareness. *Ontario Association of Administrative Assistants. General Annual Meeting, Toronto, March 2001.*

7. RESEARCH FUNDS - Total amount received \$7,254,115

Year	Investigators, Title or Purpose, Grantor	Amount
2013, Nov 2014, Nov	1. Ahmad F & Fung A. Exploring wait-room interactive technology for mental health with Chinese Canadians Exploration Funds, North York General Hospital	\$41,403
2013 Oct 2014 Oct	2. Dunn S (PI), Burns R, Ferguson L, Nutall R, Wyatt M, Ahmad F, Cleverly S, Ginsburg O, Lofters A, Moravac MC. Toward equity in cancer screening: multicultural tools and strategies for improving breast and cervical screening among Canadian newcomers. Dissemination Grant, CIHR.	\$25,000
2013 June 2016 June	3. Daly T (PI), Ahmad F (Co-PI), Srinivasan V (Primary Knowledge User), Adelina U (Knowledge User), Angeles R, Kaczorowski J. The Cardiovascular Health Awareness Program (CHAP) for the South Asian community in York Region: Assessing volunteer participation and the gender and ethno-specific impacts. Canadian Institutes of Health Research, Partnership in Health Systems Improvement.	\$679,339
2013 Mar 2014 Mar	4. Ahmad F (PI), Ledows C (Primary Knowledge User), Dinca-Panaitescu S, Ginsburg LR, Lou W-Y W, McKenzie KJ, Ng PS, Rashid M, Shakya Y. Interactive computer-assisted screening (iCAS) for depression in primary care. Canadian Institute of Health, Catalyst eHealth Grant.	\$89,933
2013 Jan- 2018 Jan	5. Janusz K (Nominated PI), Daly TJ (PI), Dolovich L (PI), Lussier M-T (PI), Farrell JJ, Montigny M, Srinivasan V, Tobe S, Ahmad F, Angeles R, Chiu M, Dahrouge S, Fletcher A, Goeree R, Goudreau J, Jones, C, Lalonde L, McDonough B, Nadeau-Grenier V, Paterson M, Syed I, South J, Tardif J-C, Thabane L, Tu K. Transformative community-based primary healthcare initiative. Team Grant, Canadian Institutes of Health Research	\$2,496,974
2012 May 2013 May	6. Ahmad F (PI). Domestic violence and resilience. York University, Faculty of Health, Minor Research Grant	\$3,000
2012 May	7. Ahmad F (PI). Wait-room interactive health-risk assessment for psychosocial health - a randomized trial. York University, Faculty of Health, Conference Travel	\$1,000

Award

2011 May 2014 Mar	8. McPherson H (PI), O'Neil J (PI), Dunn S (PI), Glazier R, Blacker S, Ahmad F, Ginsberg O, Lofter A, Moravac C. Engaging marginalized women in breast and cervical cancer screening. Cancer Care Ontario.	\$591,164
2012 Mar 2013 Mar	9. Dinca-Panaitescu S (PI), Ahmad F, Asif A, Cercone N, Gage, Ritvo P. York eHealth Alliance Research Seminar. Research and Innovation Office. York University.	\$7,460

14. The great white north of clinical trials. Feb 22, 2005, The Medical Post, Vol 21(08).
15. Breast cancer screening among ethnic women. Sept. 07, 2004, The Medical Post, Vol 40(33)
16. Breast cancer screening underutilized by ethnic women. August 16, 2004 News@UofT: Health & Medicine
17. Breast cancer screening among ethnic women August 17, 2004, Toronto 1 News.
18. Breast cancer and South Asian women. September 22, 2002, CFMT Omni News Television
19. Breast cancer and South Asian women. September 17, 2002, CBC Metro Morning
20. Breast cancer fear prevents diagnosis. July 8, 2002, Sun Media

C. STUDENT ADVISING

Year	Name, Department, Project Title or Purpose	Role
------	--	------

Doctoral

- | | | |
|---------|--|-------------------------|
| 2013- | 1. Syeda Farah Kabir. School of Health Policy and Management, York University. Project "Psychosocial health and diabetes among South Asian Canadians". | Thesis Advisor |
| 2013- | 2. Akwatu Akhenti. School of Health Policy and Management, York University. Project "Primary care and youth violence". | Thesis Advisor |
| 2012- | 3. Maniola Sejrani, School of Health Policy and Management, York University. Project "Coordination of multi-sectoral services for family violence". | Supervisor |
| 2011- | 4. Aurelia Soltan, School of Health Policy and Management, York University. Project "Caregivers of patients with chronic heart conditions". | Supervisor |
| 2011- | 5. Navindra Baldeo, Fellow of CIHR STHIR on Health Care, Technology and Place (HCTP), University of Toronto. Project "Access to healthcare services using telehealth for those with spinal cord injuries". | HCTP Mentor |
| 2011-12 | 6. Victoria Blackwell-Hardie, Division of Social and Behavioral Sciences at DLSPH, University of Toronto. Project "Support of psychological distress in perinatal HIV-positive women in Western Kenya" | Qualifying Exam Advisor |
| 2008-13 | 7. Beth S. Rachlis, Division of Epidemiology at DLSPH, University of Toronto. Project "Losses to follow-up from an Anti-Retroviral Therapy (ART) program in the Zomba district of Malawi". | Thesis Advisor |
| 2008- | 8. Ms. Joanne Crawford, Faculty of Nursing, University of Toronto. Project "Knowledge, attitudes and norms: Colon cancer screening among South Asian immigrants" | Thesis Advisor |

Master

- | | | |
|---------|--|------------|
| 2013-14 | 9. Taq Bhandal (Major Research Project). School of Health Policy and Management, York University. Project: Pregnancy and employment in South Asian immigrants in Canada: a feminist political economy approach | Supervisor |
| 2013-14 | 10. Josey Ross (Major Research Project). School of Health Policy and Management, York University. Project: Exercise efficacy in treating violence-related trauma | Advisor |

2013-15	11. Sarah Pludwinski (Master Thesis). Kinesiology & Health Science, York University. Project "Perspectives of Patients on Health Coaching and Smart-Phone Electronic Engagement"	Thesis Advisor
2013-13	12. Linda My Chan (Research Practicum). Division of Social and Behavioral Health Sciences at DLSPH, University of Toronto. Project "Interactive technology for mental health in primary care".	Supervisor
2012-12	13. Adina Savdie (Major Research Project). School of Health Policy and Management, York University. Project "Breast cancer screening: policy and risk"	Supervisor
2012-12	14. Carina Zimenkov (Major Research Project). School of Health Policy and Management, York University. Project "Chronic healthcare, eHealth and privacy"	Supervisor
2012-12	15. Darko Giacomini (Major Research Project). "Access (to information) for all: The increasing gap between privacy rights and human rights in the age of online information within the healthcare industry"	Advisor
2011-11	16. Priya Nadarajan (Research Practicum). Division of Social and Behavioral Health Sciences at DLSPH, University of Toronto. Project "Health Promotion approaches to family violence prevention".	Supervisor
2011-11	17. Barinder Jandu (Research Practicum), Division of Social and Behavioral Health Sciences at DLSPH, University of Toronto. Project "eHealth for community health care"	Supervisor
2010-11	18. Bojana Petrovic (CIHR Fellowship), Division of Social and Behavioral Health Sciences at DLSPH, University of Toronto. Project "Socio-cultural & individual determinants of accessing sexual health services among young adults"	Supervisor
2009-11	19. Iffath U.B. Syed (Thesis), Division of Occupational and Environmental Health at DLSPH, University of Toronto. Project "Musculoskeletal disorders among South Asian immigrants".	Co-Supervisor
2009-10	20. Nanky Rai (Research Practicum), Division of Social and Behavioral Health Sciences at DLSPH, University of Toronto. Project "Resilience and domestic abuse"	Supervisor

2009-10	21. Andrea Albagli (Research Practicum), Division of Social and Behavioral Health Sciences at DLSPH, University of Toronto. Project "Provider perspectives on solutions to low uptake of breast cancer screening among women".	Supervisor
2008-09	22. Sadia Mahmood (Research Practicum), Division of Social and Behavioral Health Sciences at DLSPH, University of Toronto. Project "Barriers to mammography among immigrant South Asian women"	Supervisor
2008-09	23. Martina Habelitz (Research Practicum). Project "Barriers to mammography among older Canadian women". Student Exchange Program: University of Applied Science, Germany and University of Toronto.	Supervisor

Under-graduate

(DOCH course: Determinants of Community Health, University of Toronto)

2010-11	24. Sindu Govindapi (DOCH Research Practicum), Medical Student. Project "The influence of family members on health-seeking behaviour in Bangladeshi immigrant women in GTA".	Co-supervisor
2009-10	25. Carla Pajak (DOCH Research Practicum), Medical Student. Project "Survivor's costs to saying "no" to woman abuse".	Supervisor
2007-08	26. Stephanie Siu (DOCH Research Practicum) Medical Student. Project "Perceptions about the attributes of a "good" family physician from recent Chinese immigrant perspectives".	Supervisor
2007-08	27. Jeremy Levenstadt (DOCH Research Practicum), Medical Student. Project "Ethnicity and patient perspectives of a "good" family physician".	Supervisor
2007-08	28. Alexandra Karas (DOCH Research Practicum), Medical Student. Project "Perceptions of men and women about the qualities of a "good" family physician."	Supervisor
2006-07	29. Priya Vasa (DOCH Research Practicum), Medical Student. Project "Is there a preference for sons in South Asian immigrants to Toronto?"	Supervisor
2002-01	30. Amy Jongerius (DOCH Research Practicum), Medical Student. Project "Organ donation knowledge	Supervisor

and attitudes in high school student”

2001-02	31. Mustafa Khan (DOCH Research Practicum), Medical Student. Project “Pre & post-mammography barriers and incentives”	Supervisor
2000-01	32. Sanjeev Luthra (DOCH Research Practicum), Medical Student. Project “Barriers to disclose spousal abuse among South Asian immigrant women”.	Supervisor
2000-01	33. Jennifer Kwong (DOCH Research Practicum), Medical Student. Project “Barriers to disclose spousal abuse among Chinese immigrant women”.	Supervisor
2000-01	34. Sarah Riaz (Summer Research Practicum), Medical Student. Project “Study with South Asian immigrant women on spousal abuse”	Supervisor
1999-00	35. Sonya Cook (DOCH Research Practicum), Medical Student. Project “Preferences for gender of family physician among 2nd generation South Asian immigrant women”	Supervisor
1999-00	36. Hansa Gupta (DOCH Research Practicum), Medical Student. Project “Preferences for gender of family physician among first generation South Asian immigrant women”.	Supervisor
1999-00	37. Jeena Rawlins (DOCH Research Practicum), Medical Student. Project “Preferences for gender of family physician among Canadian-born women”.	Supervisor

OTHER STUDENT ADVISING ACTIVITIES

THESIS EXAMINER

2013	Sanam Pourhabib, MSc Thesis Defense Examiner (external). Sep 17, 2013 Dept. of Kinesiology and Health Sciences, Faculty of Health, York University
2012	Victoria Blackwell-Hardie, PhD Qualifying Exam Committee Member. Dalla Lana School of Public Health, University of Toronto. Aug 01, 2012
2012	Cheryl Pritlove, PhD Comprehensive Examiner (external). July 23, 2012 Dept. of Kinesiology and Health Sciences, Faculty of Health, York University
2010	Mary Chiu, PhD Thesis Final Defense (internal to university). Institute of Medical Sciences, University of Toronto

MENTOR STUDENT SCHOLARSHIP / GRANT APPLICATION WRITING

2011	Emily Groot. “Use of evidence in WHO health promotion declarations: Overview, critical analysis, and personal reflection”. <i>Reflective Practice, August 2011.</i>
------	---

2010 Beth S. Rachlis, Defaulting from anti-retroviral treatment care in Malawi.
Submitted to International Development Research Centre (IDRC) of Canada

CHAIR / REVIEWER

2007- 08 Founding Co-Chair, Writing Caucus, Centre for Research on Inner City Health
2010-12 Fellowship Review Committee: Canadian Institutes of Health Research:
Strategic Training Initiative in Health Research (STIHR) in Health Care,
Technology & Place
2001 Award Review Committee: Augusta Stowe-Gullen Postgraduate Women's
Health Award

VOLUNTEER STUDENT MENTOR

2006-09 University of Toronto, Extern Career Exploration Program
2000-03 Toronto District School Board, Co-op Program
2000-08 Hospital Volunteer Program: University Health Network & St. Michael's Hosp.
